DEVANSHI GONAWALA

QA Engineer | Functional & Web Testing | API | AI Application Testing

Surat, India | 7567743327 | gonawaladevanshi6@gmail.com | linkedin.com/in/devanshi-gonawala-3a30b1296

PROFESSIONAL SUMMARY

Quality Assurance Engineer with 3+ years of manual testing experience across web and mobile applications in product-based and client-based projects. Skilled in functional, regression, smoke, sanity, usability, API, UI, and end-to-end testing, with hands-on work on UTM/link tracking, QR codes, analytics, payment flows, admin panels, AI applications, and role-based access. Currently building automation skills in Playwright and exploring AI-assisted testing approaches.

TECHNICAL SKILLS

Testing: Functional, Regression, Smoke, Sanity, UI, Usability, Exploratory, End-to-End, API, Cross-Browser, Black Box Testing

Platforms: Web, Android, iOS, Windows, macOS

API & Database: Postman, Swagger, SQL Basics

Automation: Playwright (in progress), Appium (basics)

Performance: JMeter, HP LoadRunner

Tools: Jira, ClickUp, Trello, Bugzilla, Git, Excel

Process: SDLC, STLC, Agile

AI Testing: AI Voice Agents, RAG Applications, AI Agents, AI-assisted Testing

PROFESSIONAL EXPERIENCE

Wizcoder AI Labs

Dec 2025 – Aug 2026

QA Tester

Surat, India

- Tested multiple web-based product and client projects, covering user, admin, and Super Admin workflows.
- Worked on LinkUtm, a UTM and link-tracking platform — testing link creation, QR codes, analytics, GA4 integration, UTM rules/templates, geo/device targeting, integrations, and payment flows.
- Tested AI Voice Agent, RAG, real-estate, jewellery, gold directory, and blog management applications, including permissions and role-based access.
- Designed and executed test cases and scenarios; performed functional, regression, smoke, sanity, UI, usability, negative, and end-to-end testing.
- Performed API testing using Postman and Swagger, validating requests, responses, status codes, and input conditions.
- Reported and tracked defects in ClickUp; worked closely with developers on bug verification and resolution.
- Started Playwright-based web automation and explored AI-assisted approaches for website testing.

Vasundhara Infotech

Sep 2024 – Oct 2025

Jr. Quality Assurance

Surat, India

Performed manual testing of Android & iOS applications and website, ensuring functionality, usability, and compatibility across devices and browsers.

- Designed and executed test scenarios, test cases, and exploratory testing for mobile apps and web modules.
- Gained exposure to JMeter for load testing and started learning Appium with Python for automation.
- Collaborated with developers and product teams to improve product quality and meet release deadlines.
- Performed end-to-end manual testing for Android and iOS applications, including functional, regression, usability, and compatibility testing.

PROJECTS:

Mobile Application Testing – Android & iOS.

- Executed functional, regression, API, and UI testing for native Android/iOS and web apps.
- Validated remote configuration updates and feature-flag rollouts.
- Verified event tracking and analytics to ensure accurate user data capture.
- Tested OneSignal push notification flows, in-app messages, and deep-link behavior.
- Checked ads rendering and monetization flows across different devices and network conditions.
- Executed full regression, exploratory, and UI/UX testing to maintain app quality before release.

Significant Infotech *Jan 2023 – Jul 2024*

Jr. Quality Assurance *Surat, India*

- Performed manual testing of Android applications — including Teleprompter, Keyboard, File Transfer, Alarm, Photo Editor, Video Player, and Doc Scanner — covering functionality, UI, usability, and compatibility.
- Tested Doc Scanner features: image/text/ZIP conversion, merge/split, password and signature management, QR scanning, and secure folder functionality.
- Performed basic API testing using Postman, validating request/response data, status codes, and error handling.

EDUCATION

Bachelor of Commerce (B.Com.) *2019 – 2022*

Sir K.P. College of Commerce, VNSGU *Surat, India*

Higher Secondary Certificate (HSC) *2018 – 2019*

Jeevanbharti Kumarbhavan School *Surat, India*

CERTIFICATION

Certified Manual Tester — Manual Testing Course, TOPS Technology
